International Conference for Healthy Aging and Nutrition

Date: November 08-09, 2024

Venue: International Conference Hall, Zhunan Campus, National Health Research Institute, Taiwan Address: 35, Keyan Road, Zhunan Town, Miaoli County, Taiwan

		< Day 1: Fri. I	Nov. 08, 2024>		
Time		Торіс	Speaker		
09:30 - 10:00			Welcome Speech		
03.00 10.00			Time for Photos		
		Moderator:			
Keynote Sp	eech (1)	Wei J. Chen(陳為堅)		*	
		Vice President, National Hea	Ith Research Institutes, Taiwan	_	
	Appetite in	the Context of the Integrated	Philipe de Souto Barreto		
10:00 - 11:00	Care for Old	er People Program: Data from	Professor, Université Paul Sabatier Toulouse 3,		
	the Toulou	use Real-life Implementation	Toulouse University Hospital, IHU HealthAge, France		
11:00 - 13:00		Oral	and Poster Competition		
		Mederators	Lunch		
		Moderators:			
Sessio	n I	Hidenori Arai (荒井 秀典)			
Nutrition Interv		President, National Center fo	or Geriatric and Gerontology, Japan		
Geriatric sy		Ching jang Huang (黃青真)		
		Professor Emeritus, Department of Biochemical Science & Technology, College of			
		Life Science, National Taiwar	n University, Taiwan		
	Nutritional ir	nterventions for the prevention	Wee Shiong Lim		
13:00 - 13:30	-	ment of sarcopenic obesity: An	Director, Institute of Geriatrics and Active Aging,	C:	
	evic	lence-based approach	Tan Tock Seng Hospital, Singapore		
	Nutritional Intervention plus Home-based		Prasert Assantachai		
13:30 - 14:00	Exercise in the Community to Reverse		President, Thai Society of Gerontology and Geriatric		
	Frailty: A Proven Model in Bangkok		Medicine, Faculty of Medicine Siriraj Hospital,		
			Mahidol University, Thailand.		
14.00 14.20	Optimizing Diet and Nutrition for the		Wen-Harn Pan (潘文涵)	*	
14:00 - 14:30	Prevention and Management of Geriatric Syndromes: Insights from Taiwan		Precision Nutrition Chair Professor, College of Public		
14.20 14.50	Synarol		Health, Taipei Medical University, Taiwan		
14:30 - 14:50 14:50 - 15:10			Q&A Break		
14:50 - 15:10		Moderators:	ыеак		
Sessio		Kuo-Chin Huang(黃國晉)		*	
Diets and Hea		Vice Superintendent, Nation	al Taiwan University Hospital, Taiwan		
Evidences fro		Hung-Yi Chiou(邱弘毅)			
Studies II	Studies in Asia Director,		ion Health Sciences, National Health Research	*	
		Institutes, Taiwan			
	Effectivo Pro	edictive Indicators and Dietary	Noriko Satoh-Asahara(浅原 哲子)		
		Aanagement for the Prevention	Chief Director, Department of Endocrinology,		
15:10 - 15:40	of Atherosclerosis and Cognitive Frailty in Diabetes and Obesity		Metabolism and Hypertension Research, Clinical		
			Research Institute, National Hospital Organization,		
			Kyoto Medical Center, Japan		
	Interleukin-6 Trans-Signaling, Autonomic Function and Change in Physical		I-Chien Wu(吳易謙)		
15:40 - 16:10			Assistant Investigator, Institute of Population Health	*	
	Performance in Older Adults - A Window of		Science, National Health Research Institutes, Taiwan		
	Opportunity for Dietary Modulation?				
	Nutrition and Cognitive Impairment in the Taiwan Initiative for Geriatric		Yen-Ching Chen (程蘊菁)	380	
16:10 - 16:40	Epidemiological Research (TIGER): A 14-		Professor, Institute of Epidemiology and Preventive	*	
	Year Cohort Study		Medicine, National Taiwan University, Taiwan		
	Plant-based Diets and Healthy Aging – the		 Tina H. T. Chiu(邱雪婷)	38	
16:40 - 17:10		zu Chi Health Study	Associate Investigator, National Center for Geriatric		

< Day 1: Fri. Nov. 08, 2024>

	and Welfare Research, National Health Research Institutes, Taiwan
17:10 - 17:30	Q&A
17:30 -	Welcome Dinner Party

< Day 2: Sat. Nov.09, 2024 >

< Day 2: Sat. Nov.09, 2024 >								
Time	Торіс		Speaker					
		Moderator:						
Keynote Sp	eech (2)	Cheng-Chieh Lin(林正介)		*				
		Vice President, China Medica	al University, Taiwan					
	Screenin	ng for (Mal)nutrition Risk to	Heather Keller					
09:30 - 10:30	Improve th	e Health of Older Adults from	Professor, Schlegel-UW Research Institute for Aging	*				
05.50 - 10.50		ity to Hospital Settings, Best	and Department of Kinesiology & Health Sciences,					
	Practi	ices and Lessons Learned	University of Waterloo, Canada					
10:30 - 10:45			Tea Break					
		Moderators:						
Session III From Basic to Clinical Application		Wayne Huey-Herng Sheu(許惠恒) 💦 💦 📷						
		Vice President, National Health Research Institutes, Taiwan						
		Yi-Ching Yang (楊宜青)						
Арриса	lion	Director, Department of Geriatric and Gerontology, National Cheng Kung						
		University Hospital, Taiwan		_				
			Richard Kwok(郭景輝)					
	Exposomics and Nutrition for Precision			200000				
10:45 - 11:15	Неа	Ith in Older Populations	Program Director, Population Studies and Genetics Branch, Division of Neuroscience, NIA NIH, United					
		(Pre-record)	States					
	Improving	afety for Nutrition & Hydration	Peter Lam					
11:15 - 11:45		h IDDSI: The Myths, The Facts &	Chairperson & CEO, International Dysphagia Diet	*				
	The Science		Standardization Initiative, Canada	-				
	An Obser	vational Study Assessing the						
	Impact of N	Iultidisciplinary Team Care and	Meng-Chuan Huang (黃孟娟)	_				
11:45 - 12:15	-	nseling on Post-Stroke Patients	Professor, Department of Nutrition & Dietetics,	*				
		Dysphagia: Experiences from a	Kaohsiung Medical University Hospital, Taiwan					
	Medical	Center in Southern Taiwan						
12:15 - 12:30			Q&A					
12:30 - 13:30	1							
		Madaratara	Lunch					
		Moderators:						
		Meei-Shyuan Lee(李美璇)	*				
Sessio	n IV	Meei-Shyuan Lee(李美璇 Professor, Department of Pu		*				
	n IV	Meei-Shyuan Lee(李美璇)	*				
	n IV	Meei-Shyuan Lee(李 美璇 Professor, Department of Pu Shih-Yi Lin(林時逸) Director, Center for Geriatric)	*				
	n IV	Meei-Shyuan Lee(李 美璇 Professor, Department of Pu Shih-Yi Lin (林時逸)) blic Health, National Defense Medical Center, Taiwan	*				
Session	Healthy Die	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin(林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to) blic Health, National Defense Medical Center, Taiwan	*				
	Healthy Die	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin(林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the) blic Health, National Defense Medical Center, Taiwan is and Gerontology, Taichung Veterans General	*				
Session	Healthy Die	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin(林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to) blic Health, National Defense Medical Center, Taiwan is and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼)	*** ***				
Session	Healthy Die Apply the	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin(林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the Community) blic Health, National Defense Medical Center, Taiwan is and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼) Professor, National Center for Geriatrics and	*				
Session 13:30 - 14:00	Healthy Die Apply the The Role of	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin (林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the Community) blic Health, National Defense Medical Center, Taiwan is and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼) Professor, National Center for Geriatrics and Gerontology, Japan	*				
Session	Healthy Die Apply the The Role of of Nutrition	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin (林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the Community) blic Health, National Defense Medical Center, Taiwan as and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼) Professor, National Center for Geriatrics and Gerontology, Japan Shu-Chun Chuang (莊淑鈞)	*** *** •				
Session 13:30 - 14:00	Healthy Die Apply the The Role of of Nutrition	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin (林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the Community) blic Health, National Defense Medical Center, Taiwan as and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼) Professor, National Center for Geriatrics and Gerontology, Japan Shu-Chun Chuang (莊淑鈞) Associate Investigator, Institute of Population	* * •				
Session 13:30 - 14:00	Healthy Die Apply the The Role of of Nutrition fi	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin (林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the Community) blic Health, National Defense Medical Center, Taiwan as and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼) Professor, National Center for Geriatrics and Gerontology, Japan Shu-Chun Chuang (莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute,	**** ****				
Session 13:30 - 14:00	Healthy Die Apply the The Role of of Nutritiona fi A Modifia	Meei-Shyuan Lee(李美璇 Professor, Department of Pu Shih-Yi Lin (林時逸) Director, Center for Geriatric Hospital, Taiwan t for Better Well-being: How to NILS-LSA Cohort Study to the Community ^C Oral Health in the Association al Status and Frailty: Experience rom the HALST Study) blic Health, National Defense Medical Center, Taiwan as and Gerontology, Taichung Veterans General Rei Otsuka (大塚 礼) Professor, National Center for Geriatrics and Gerontology, Japan Shu-Chun Chuang (莊淑鈞) Associate Investigator, Institute of Population Health Science, National Health Research Institute, Taiwan	* * •
